Three hand-drawn, wavy lines in black ink, each representing the letter 'Z'. The lines are drawn on a white background. The first line on the left starts with a small arrow pointing upwards and to the right. The second line in the middle starts with a small arrow pointing upwards and to the right. The third line on the right starts with a small arrow pointing upwards and to the right. All three lines are drawn with a consistent, slightly irregular stroke, giving them a hand-drawn appearance.
